## **Leanne's New Role**

My new role involves screening volunteers who wish to sign up to be a Big in our Traditional Program, In-school Mentoring, or the Game On/Go Girls Programs. I also meet with parents/guardians and children who wish to be involved in our programs as a Little. I am also always looking for volunteers and people to sign up to be a mentor. This part of the job has been a little more challenging for me, as social media is definitely not my forte!!
